MEMORANDUM.

The Commander-in-Chief publishes, for the information of the Officers of the Army, the annexed Copy of a Letter, and Enclosure, from the Colonial Department, communicating the Terms and Conditions, fixed by the Secretary of State for the Colonies, upon which Military Settlers may obtain Land in the British Colonies.

By Command of Field Marshal
THE DUKE OF WELLINGTON,
 Commander-in-Chief,
JOHN MACDONALD,
 Adjutant-General.

(Copy.)

DOWNING STREET, 5th September, 1843.

MY LORD,

Referring to the General Order of the 30th November last, (a) relating to the terms upon which Land may be obtained by Military Settlers in the Colonies, I am directed by Lord Stanley to request, that you will move His Grace the Commander-in-Chief to cause the Paper annexed to such General Order, showing, in general terms, the nature of the Conditions on which Public Lands can be acquired in the Colonies, to be amended in conformity with the Copy of that Document herewith enclosed.

I have, &c.

(a) See Army Lists for January, February, March, and April last.

**INFORMATION FOR THE USE OF MILITARY AND NAVAL
 OFFICERS PURPOSING TO SETTLE IN THE
 BRITISH COLONIES.**

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and New Zealand; secondly, Ceylon; thirdly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, and in Ceylon, land is disposed of by sale only; but Officers purchasing land are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole ..	£300
Field Officers, of 20 years' service and upwards, in the whole ..	250
Field Officers, of 15 or less years' service, in the whole	200

Captains, of 20 years' service and upwards, in the whole.....	£200
Captains, of 15 years' service or less, in the whole	150
Subalterns, of 20 years' service and upwards, in the whole	150
Subalterns, of 7 years' service and upwards, in the whole.....	100
Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.	

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of land are granted to Officers on the following scale and conditions, viz. :—

To a Lieutenant-Colonel	1200 acres.
To a Major.....	1000 acres.
To a Captain	800 acres.
To a Subaltern	500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the Commander-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the Commander-in-Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before

the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements :—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l.* per acre ; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes ; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price : these last to be designated " Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction ; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, Land is sold by auction at an upset price of 5*s.* per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1843.

CIRCULAR, No. 918.

WAR OFFICE, 31st October, 1843.

SIR,

I have the honor to transmit herewith Copies of Her Majesty's Warrant of the 11th October, 1843, for establishing and regulating Regimental Savings Banks.

With the important object of encouraging habits of prudence and economy in the British Soldier, and thereby of diminishing as much as possible all temptation to intemperance, and its consequence, insubordination, the Regimental Savings Bank will afford to every Soldier the means of profitably depositing his small Savings, whether at Home or Abroad, under Government Security, and will at the same time give him every practicable facility of withdrawing his accumulation whenever he may require it for any useful purpose.

You will observe that the Warrant has directed, that the pecuniary transactions, as regards the Savings of the Soldier, shall take place, according to the established principle and usage of the Military Service, in the same manner as all the other Regimental Money transactions of the Men are now managed, and that the deposit which a Soldier may wish to make in the Regimental Savings Bank will be received by his Captain, who will account Monthly for such Deposit with the Regimental Paymaster, under the same control of the Commanding Officer which is now so beneficially exercised over all the other pecuniary concerns of the Regiment.

This adherence to the system now working so simply and advantageously with respect to all the other Accounts of the Soldier, will afford an effectual protection to the interest of the Depositors, and give to the Public full security that the receipts and payments shall be properly accounted for.

I trust that the earnest desire manifested by Her Majesty to promote the welfare of the Soldier will be fully appreciated by the Officers of the Army, and that they will use their influence to encourage the Non-Commissioned Officers and Men under their Command to avail themselves of the opportunities thus afforded to them of accumulating their Savings, will explain to them the advantage they will derive by becoming Depositors, and will give them every facility in making their deposits agreeably to the Provisions of the Warrant.

I have the honor to be, Sir,

Your most obedient humble Servant,

Officer Commanding
the Regiment.

WARRANT FOR ESTABLISHING AND REGULATING REGIMENTAL SAVINGS BANKS.

Dated 11th October, 1843.

VICTORIA R.

WHEREAS it has been represented to Us that it is expedient to afford to the non-commissioned officers and soldiers of Our army facilities for depositing their savings: Our will and pleasure is, that there be established in every Regiment and Depôt of Our regular Cavalry and Infantry a Regimental Savings Bank for the safe custody and increase of such savings, and that the following regulations shall be observed and obeyed wherever Our Troops may be serving (the territorial possessions of the East India Company alone excepted), as Our sole authority for the establishment thereof, viz. :—

I. That officers commanding troops and companies shall receive as public money, to be applied to the payment of those public services which it is their duty to defray, such sums as the non-commissioned officers and soldiers under their command may from time to time desire, and be entitled, to deposit in the Savings Bank of the regiment.

II. That the maximum of each soldier's deposit shall be limited to 30. in any one year, and to 200*l.* in the whole.

III. That the rate of interest upon deposits shall be 3*l.* 15*s.* per cent. per annum, but that no interest shall be allowed upon any other parts of a pound sterling than 6*s.* 8*d.* and 13*s.* 4*d.*, nor upon any sums that have not remained in deposit for at least one month, to be reckoned from the last monthly muster-day, and that interest shall only be allowed upon sums withdrawn up to the muster-day preceding the day the deposit is withdrawn, unless such day shall be the muster-day.

Interest upon all sums in deposit shall be added to the principal quarterly, and shall thenceforward bear interest.

IV. That when a soldier shall be desirous of withdrawing the whole, or any part of his deposit, he shall give at least seven days' notice to the captain or officer commanding the troop or company to which he belongs, in order that the necessary arrangements may be made for repayment of the amount at the next day of monthly muster; but if such captain or officer commanding shall be satisfied of the urgency of the case, and that the immediate withdrawal of the deposit would be for the advantage of the soldier, he may direct payment to be forthwith made.

Whenever the officer commanding the troop or company shall have grounds for believing that the soldier intends to make an improper use of his money, he will be permitted to withhold the privilege of withdrawing the deposit until the Commanding Officer of the regiment shall determine whether it should be then issued or not; and should the officer commanding deem it essential to the discipline of the regiment to withhold from a soldier the privilege of withdrawing his deposits, he shall report specially to the Commander-in-Chief and to the Secretary-at-War the circumstances under which he has felt himself compelled to exercise this power.

V. That all monies deposited by the soldier in the Regimental Savings Bank shall be held strictly in trust for his own use and benefit, and shall on no account be transferable to any third party, either by endorsement, conveyance, or otherwise, and shall not be affected by any debts contracted by him, nor be made available for any purpose whatever, except under his own order, signified to the officer commanding his troop or company: and such monies shall, if possible, be paid to the soldier personally, and in all cases his receipt shall be obtained, and shall be attached to the Troop or Company Savings Bank Ledger.

VI. That upon the discharge of a soldier, his deposits may remain at interest in the Regimental Savings Bank for a period not exceeding six months, after which time interest shall cease; but, if required by the soldier, the principal may be retained without interest for a longer period for security.

VII. That at the death of a soldier interest on his deposits shall cease from the muster-day next after his death, and the amount of his deposits, with the interest accumulated thereon, shall be added to his other effects, and be reported to Our Secretary-at-War, to be disposed of in the usual manner to the legal representative of the deceased, as prescribed in Our Articles of War.

VIII. That a soldier convicted by a Court Martial of desertion, or recorded by a Board of Officers in the usual manner as a deserter, shall forfeit to the public all monies he may have in the Regimental Savings Bank, and such forfeiture shall only be remitted by Our authority, signified by our Secretary-at-War.

IX. That to prevent parties not in military employ from availing themselves of the advantages afforded by these Banks, as well as to prevent larger sums from being accumulated at interest for any one soldier than is permitted by this Warrant, no non-commissioned officer or soldier is, on any pretence whatever, to deposit in his own name the money of another person, whether a soldier or not; and in case any soldier shall so deposit the money of another person, we hereby direct that, in addition to any punishment which a Court Martial may award for the fraud thus committed, all sums so deposited shall be forfeited to the public, and one-half of the amount, not exceeding 5*l.*, shall be allowed to the informer.

X. That a non-commissioned officer shall be selected by the officer commanding, to act as clerk to the Regimental Savings Bank, and that such clerk shall be allowed for keeping the accounts of the depositors such compensation as Our Secretary-at-War shall direct.

XI. That instructions as to the mode of accounting for the deposits made under this warrant be issued, from time to time, by Our Secretary-at-War.

XII. That during active operations in the field, or whenever circumstances may render it impracticable to attend to the details of the Savings Banks, the General Officer in command may direct the temporary suspension of this warrant; but all sums then actually in deposit under the provisions of this warrant shall bear interest in the same manner as if the warrant had not been suspended.

XIII. Such special deviations from the foregoing rules and regulations as may appear advisable to Us, will be directed by Our Secretary-at-War, with whom alone it rests to interpret the true intent and meaning of any passage in this warrant upon which a doubt may arise.

Given at Our Court at Windsor, this 11th day of October, 1843,
in the Seventh year of Our Reign.

By Her Majesty's Command.

H. HARDINGE.

INSTRUCTIONS REFERRED TO IN THE WARRANT FOR ESTABLISHING AND
REGULATING REGIMENTAL SAVINGS BANKS.

I. In the Orderly Room of every regiment or depôt of cavalry and infantry, there shall be kept under lock and key, under the inspection of the Commanding Officer, the Officer second in command, and the Adjutant, a Regimental Savings Bank Ledger, in which shall be entered the Savings Bank account of every soldier.

II. The entries shall be made in the Regimental Ledger by troops or companies, so that the amount of each troop or company shall be kept separate, and upon the transfer of a soldier from one troop or company to another, a transfer of his account shall be made in the Regimental Savings Bank Ledger.

III. The Clerk selected and appointed by the Commanding Officer shall make all the entries in the Regimental Savings Bank Ledger.

IV. Each Captain or officer commanding a troop or company shall keep a Savings Bank Ledger for the accounts of the non-commissioned officers and men of his troop or company.

V. The Regimental Ledger and the Troop or Company Ledger are to be prepared upon the accompanying Form No. 1. (a)

VI. Deposits of Savings (not under one shilling), can only be made, and entered in the Troop or Company Ledgers, and in the Regimental Ledger, once in each month, viz. on the day of monthly settlement, when all sums withdrawn will be also entered. The Captain or officer commanding the troop or company will, by his signature in the Troop or Company Ledger, acknowledge the receipt of all deposits made, and the soldier will in like manner acknowledge the receipt of all sums withdrawn.

VII. The Captain or officer commanding the troop or company will appropriate to the payment of his men the balance in his hands, and will draw upon the Paymaster for any sums he may require to repay deposits withdrawn, and the credit or debit of the Savings Bank account will appear in the monthly abstract for each troop or company. Immediately after the monthly muster the Captain or officer commanding the troop or company will send a statement of his receipts and payments in the Form No. 2, (b) hereunto annexed, to the Orderly Room, that the account of every soldier may be entered in the Regimental Savings Bank Ledger. From these several statements an account will be prepared of the balance of the total receipts and repayments in each troop or company in the preceding month, and being signed by the officer commanding, the officer second in command, and the adjutant, will be transmitted by the Commanding Officer to the Regimental Paymaster, or Acting Paymaster, to enable him to compare the same with the receipts and payments stated in the several troop or company abstracts, and as an authority to him to charge or credit the captains with such sums as they may have received or paid.

VIII. At the end of every quarter the Troop or Company Ledgers are to be compared with the Regimental Ledger by the Officer commanding, the Officer second in command, and the Adjutant, and the Officer commanding will transmit to the Secretary-at-War each quarter a certificate, in the Form annexed No. 4, that this comparison has been made. Should a Troop or Company be absent from head-quarters, the comparison of the Ledger of that Troop or Company may be deferred until it return to head-quarters ;

(a) The Form No. 1 is the Deposit Book of a Troop or Company, containing the Name and Regimental Number of the Soldier, and a statement of the sums deposited or withdrawn, with the respective Dates and Interest allowed, brought first to a quarterly account and thence to a yearly balance, verified by the signatures of the Officer commanding and the Officer second in command.

(b) Form No. 2 is a Statement of Deposits made and Sums withdrawn, with the signatures of the Officer receiving and of the soldier who withdraws, and the amount of balance credited or charged to the Public in the Monthly Troop Abstract.

Form No. 3 is founded on the preceding, and is an account transmitted monthly to the Regimental Paymaster by the Officer commanding, the second in command, and the Adjutant, showing the amount deposited, the amount withdrawn, and the balance received or paid by the Captain of each troop or company within the month.

but such delay must be reported upon the Quarterly Certificate, and a Certificate, duly signed, that the comparison has been made, must be transmitted to the Secretary-at-War upon the return of the said Troop or Company to head-quarters. (c)

IX. The Regimental Savings Bank Ledger, certified by the Commanding Officer, the Officer second in command, and the Adjutant, to have been compared with the several Troop or Company Ledgers, and the monthly statements of each troop or company are to be transmitted to the War Office at the end of each year so soon as the balances of each depositor shall have been carried forward into the Regimental Ledger of the succeeding year, but within the time prescribed for the transmission of the Quarterly Pay List to the 31st of March.

X. The Secretary-at-War, after auditing the Savings Bank Ledger, and satisfying himself that the money has been duly brought to account by the Paymaster, will furnish the officer commanding the regiment with a declaration that the account of the Regimental Savings Bank, to that date, has been audited and found correct, and will become responsible to the depositors that the amount due to each, with interest, shall be paid out of public money.

The declaration of the Secretary-at-War will be preserved in the Orderly Room; and the Commanding Officer will notify to the officers commanding troops or companies that the account of the Regimental Savings Bank has been audited to that date, and admitted by the Secretary-at-War to be correct.

(c) Form No. 4.—Certificate to be signed by the Officer commanding, the Officer second in command, and the Adjutant; and to be transmitted to the Secretary-at-War after each of the Quarters ended the 30th June, 30th September, 31st December, and 31st March.

We do hereby certify that we have compared the Regimental Savings Bank Ledger with the Ledgers of the several Troops or Companies of the _____ Regiment of _____ for the Three Months ended the _____ day of _____, 184____, (with the exception of the Troops or Companies under-mentioned absent from Head Quarters,) and that the accounts of the several Depositors belonging to those Troops or Companies, as they appear in the Regimental Ledger, correspond with the Accounts in the respective Troops' or Companies' Ledgers.

Troops or Companies absent from Head Quarters.

Insert—"None," or,

For No. 6.—Captain Thompson, Stirling, as the case may be.

_____ Commanding Officer.

_____ Officer second in Command.

_____ Adjutant.

Day of _____ 184_____.

Form No. 5 is intituled "Abstracts of the Regimental Savings Bank Ledger," and contains:—

First, an Abstract for each Troop or Company, stating the name of each depositor, the sums deposited or withdrawn by the individuals, and the Total of Deposits and Interest carried to account.
